# Hide and seek.

---

At the beginning there should be at least 5 players to play the game. The players choose one seeker and then choose the area and the size. The seeker closes his/her eyes and counts to 50 very loudly. Other players are hiding inside the area. After counting the seeker is ready to search. The first one who is found is the next seeker. The last one who is found is the winner of the game.

Age: 3 - .....

Place: Any un dangerous area, but with places to hide.

Equipment: Optional

Rules:

- 1) Don't look while counting
- 2) If you are found don't tell the seeker where other players are hiding.
- 3) If there are problems with finding hiding people, the seeker can ask them to make a little sound.
- 4) If you are hiding in one place you can't move to another place.

# RUN FOREST, RUN!!!!

There are two teams. Each team has to have at least 4 players or more. There should be the same numbers of players at each team.

- The playing field is separated with lines.
- Numbers of lines are up to players
- At the beginning of the game one team starts out in the field and the other team behind the first line.
- Team one the field chooses one catcher who will stand behind the first line with the other team.

Then the game can start by:

- Players inside the first line hitting the ball with a stick as far away as possible, the ball is thrown up by a team player standing outside of the first line.
- When the ball is in the air, players who as already hit the ball can run out in the field to reach the lines until the other team sends the ball back to their catcher at the first line.
- The goal is to run till the last line and back and get one point.
- When everybody has hit the ball, you count the points and switch teams.
- Each player can run and try to get points for the team until the last player hits the ball.
