****the financial means of the safety deposit are used to cover the Student's unsettled financial obligations with LASE in case the Agreement is terminated or is paid back to the Student in case the Agreement is terminated.

6. Documents should be submitted for September intake till 31 July 2022.

7. Studies begin on 12 September 2022.

8. Main principles of admission are as follows:

8.1. Foreigners are selected for studies in the course of open and equal-opportunity document competition.

8.2. The document competition assesses:

- information of the application, interview and certificates about participating in sport;
- average assessment of the education document (grade);
- evaluation of the entry examination.

9. Mutual rights and obligations of the Applicant and the LASE during admission procedure:

9.1.1. The LASE obligations before admission:

- To publish the terms of admissions and the terms of the LASE Internal Regulations as well as ensuring that the information is accessible to applicants;
- To prepare all the necessary documents and handouts for successful admission;
- To confirm the Admissions and Entry Examination Committee by order of LASE Rector.

9.1.2. The LASE rights:

- To require that the applicant follows the admission terms and their requirements, as well as the terms of the LASE Internal Regulations;
- If the applicant fails to conclude the study contract at the time indicated by the Admissions Committee without a valid reason and without informing LASE, the applicant is excluded from the competition;
- To perform selection of candidates, appropriate for the selected study programme;
- To refuse registration for study programmes where the minimum number of students (5) for commencing studies was not achieved;
- If need, to set additional admission for study programmes.

9.1.3. The Applicant's obligations in the process of admission:

- To review and follow the terms and directions for admission and the terms of the LASE Internal Regulations;
- On applying for studies, to show or submit documents stated in the terms of admission;
- To attend the entry examination(s), registration for studies and the signing of the study contract in a timely manner;
- To perform all financial obligations towards LASE in a timely manner.

9.1.4. The Applicant's rights in the process of admission:

- To receive information on all admissions-related issues;
- To submit the above-mentioned documents by coming in person or empowering another person who will show a power of attorney confirmed by a notary and passport, or electronically or by email;
- To submit to the Admissions Committee a reasoned appeal on the decision of the Admissions Committee within three days after the results are announced. An applicant can appeal the decision of the LASE Rector in court following the order set by the Administrative Procedure Law.
- Following the order set by the Administrative Procedure Law, an applicant is entitled to request that the decision to refuse the matriculation of the person is given in writing.

10. The results of admission are announced within three working days from the date when the Admission Committee takes the decision.

11. All applicants who have passed the competition sign a study contract with the LASE within the term set by the Admission Committee.

12. Upon signing a study contract for studying at the LASE using the funding of physical or legal entities, a student transfers the tuition fee to the LASE current account within the term set in the study agreement.

13. Applicants are admitted to the study programme if the study contract is signed, and the tuition fee for the first year of study is paid, when they arrive at LASE for studies.
