**Ukraine State University of Physical Education and Sport**

,  
**Lviv State University of Physical Education**

and

Expressing our support to Ukraine people and its sovereignty, the Ukraine banner is streaming at the main building of LASE.

With alarm we are continuing to follow the events in Ukraine. At the same time LASE administration is recommending students and staff to maintain calmness and respect to each other, as, only united, we can be strong and offset the further aggravation of the situation.
