

Katerina Krejci (the Czech Republic) is the 3rd year student of LASE Professional bachelor higher education programme “Sport Science”. Now already for the third year she is also training in modern pentathlon in Latvia. In the middle of November, this year K.Krejci as a member of Latvia national team participated in the European U24 Championship and won the bronze medal!

This year K.Krejci restarted to take part in competitions and before November took the third place in Germany Championship and won the Poland Open Championship. In 2023 K.Krejci is planning to go to the European Games, but her dream is to participate in the Olympic Games in Paris. Good luck!
