

Latvian Academy of Sport Education

International scientific Conference

„SPORTS SCIENCE AND HEALTH CARE IN SPORTS IN 2020”

February 5, 2020

Date: February 5, 2020.

Place: Latvian Academy of Sport Education, Brivibas gatve 333, Riga

Registration: Deadline January 30, 2020

Dear colleagues!

We invite you to take part in the International scientific Conference

„SPORTS SCIENCE AND HEALTH CARE IN SPORTS IN 2020”.

Sports science is an interdisciplinary science, that incorporates areas of sports pedagogy, sports psychology, sports management and communication, sports medicine, sports physiology, sports biomechanics.

The use of technology in sports research, sports industry, daily activities and professional sports load data acquisition and analysis, and monitoring has become an integral part of science. Society's health topics, which focus on socio-economic aspects, influence people's life quality, sport achievements and health in a broader context. Sports management and communication pervade fields of sports science and popularize them.

The International Scientific Conference is a platform for close cooperation with employers and industry representatives, to promote the Economy of Latvia and life quality through sports science.
